ERIN. [From an old Irish newspaper dated 1797.] When Erin first rose from the dark swelling flood, God bless'd the green and saw it was good; The Emerald of Europe it sparkled and shone In the ring of the world the most beautiful stone.

O sons of green Erin, lament o'er the time When religion was war, and our country a crime, When men in God's image inverted his plan, And moulded their God in the image of man.

KIDWELL'S COMPOUND FLUID HXTRACT OF BEECH DROP

Or. Cancer Root. CELEBRATED REMEDY FOR CAN-CER, ULCERATED SORE THROAT, WHITE SWELLING, BRONCHI-TIS, DROPSY, AND ALL

DISEASES ARISING FROM THE IMPURITY OF THE BLOOD. Prepared by J. L. KIDWELL, Chemist, George town, D. C.

The estimate that is now accorded this prepara-tion by the medical profession and by others competent to judge of its merits, may be seen in the fact that it has been prescribed by many of our most eminent Physicians in this country, and has attracted the attention of a celebrated profession of the Edinburg College, Scotland, by whom it has | Exclusive use of extra size state rooms... been successfully used in a career of an aggravated The proprieter has been forced to make more ex-

tensive arrangements to meet the rapidly increasing demand for BEECH DROP. VINCENNES, INDIANA, Oct. 3, 1854.

J. L. Kidwell-Dear Sir: Some three months ago. through the agency of Col Smith Miller, our representation in Congress, I had purchased of you, for the use of my father in Scotland, one dozen Bottles of Beech Drop or Cancer Preparation. I have a letter from my brother, stating that the physician desires you to forward another dozen bottles. He thinks under its use the disease is arrested. I may add that my father has tried every physician of distinction in Scotland and England, including Professors of Edinburg and Collleges, without relief. The disease was of three years standing, began in the right cheek, which is partially consumed. He was a sufferer with constant pain, which has entirely

This case will give your preparation a popularity in Britain which no other medicine has. Direct to William Dick, Esq., Collydean, by Leslie Scotland, in care of Messrs. Penfoed, Clay & Co., Druggists, N. York, who will forward it. JAMES DICK.

Mr. Flint is a man of great influence in his county, and will with pleasure communicate with any one in reference to his case.

CALLAWAY COUNTY, MISSOURI, July 13th, 1854. Dear Sir-With great pleasure I inform that your preparation of Beech Drop has accomplished for me what I thought beyond the reach of human agency. For the last twelve years I have been afflicted with Scrofula of a Cancerous form. So extensive was the ulcers and so herrible my appearance that my cas became notorious with all the Faculty in this and the adjoining counties-in fact I had obtained the best medical aid in our State, without any abatement of the disease. Through a friend I procured a half dozen bottles of your Beech Drep, after using it, so perfect was the cure, that hundreds visited me. My desire is to benefit my fellow man; with that purpose I beg all afflicted with Scrofula in any form to use it. Enclosed you will find an order from some friends

for the preparation. Very truly,
